

Toileting on Outings Policy

All children must be given the opportunity to go to the toilet before leaving for an outing or walk.

Staff members will have a potty & wee bottles in their outing bags for emergencies.

If a child needs go to the toilet on an outing and there are no toilets within walking distance the child(ren) can use the potty or wee bottle located in the outing bags.

When the child is using the potty or bottle please take the child to a discrete place where the child is not in the public view (If you are unsure discuss this with the staff members with you) and use your body to hide the child the best you can.
