

Admissions Policy

As Ofsted registered Childcare providers, T&D Childcare are obliged to restrict the number of children that we can care for at any one time. These details are on our Ofsted Registration Certificates, which are displayed on the notice boards.

Childminders are registered to care for 6 children; 1 under 1 years, 2 under 5 years and 3 children between the ages of 5 and 11.

T&D are happy to take on any baby or child within the registered numbers, and will not discriminate against children or their families for reasons such as race, religion, sex or ability. However, we would like to make the following statements:

- We are happy to take on children with special needs, providing we feel our staff can provide them with the care they need. If your child has additional needs, please discuss them with us first.
- All children will be welcomed into T&D Childcare and we will encourage the other children at T&D to do so too.
- We will request a four-week settling in period on our contract, so if either you, your child or T&D staff are not happy with the arrangement, it can be terminated quickly and easily.
- When taking on additional children we must take into consideration the children already being cared for by T&D Childcare who are happy and settled. It would be very unfair on them to introduce a child who was disruptive.
